

FOR THE GOOD TIMES - Kris Kristofferson

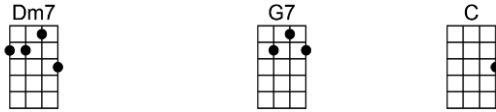

4/4 1234 1 (without intro)

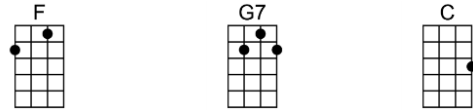

p.2. For the Good Times

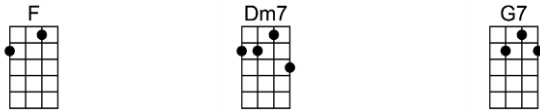

I'll get a-long, you'll find an-other,

And I'll be here if you should find you ever need me.

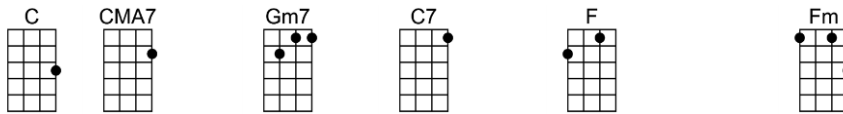

Don't say a word about to-morrow or for-ever,

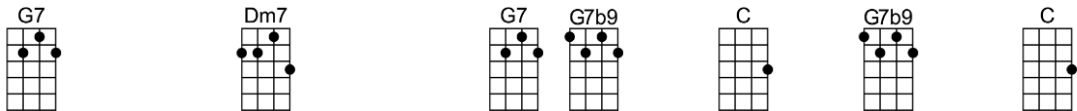

There'll be time enough for sadness when you leave me.

Lay your head upon my pillow, hold your warm and tender body close to mine

Hear the whisper of the raindrops, blowing soft against the window

And make believe you love me one more time.....for the good times, for the good times
