There's a land that I see where the children are free,

And I say it ain't far to this land from where we are

Take my hand, come with me, where the children are free

Come with me, take my hand, and we'll live....

In a land where the river runs free, in a land through the green coun-try

() X3

In a land to a shining sea, and you and me are free to be....you and me

I see a land bright and clear, and the time's comin' near

When we'll live in this land, you and me, hand in hand

Take my hand, come along, lend your voice to my song

Come a-long, take my hand, sing a song....

p.2 Free To Be You and Me

For a land where the river runs free, for a land through the green coun-try

For a land to a shining sea, for a land where the horses run free

And you and me are free to be... you and me

Every boy in this land grows to be his own man

In this land, every girl grows to be her own woman

Take my hand, come with me where the children are free

Come with me, take my hand, and we'll run....

To a land where the river runs free, to a land through the green coun-try

To a land to a shining sea, to a land where the horses run free

To a land where the children are free

And you and me are free to be, and you and me are free to be

And you and me are free to be...you and me
