

FRIENDS (BAR)-Buzzy Linhart

4/4 1...2...1234

Intro:

And I am all a-lone, there's no one here be-side me

And my problems have all gone, there is no one to de-ride me

But you got to have friends, the feelin's oh, so strong

Yes, you got to have friends, to make the day last long

I had some friends, but they're gone, someone came and took them a-way

Now, from the dusk to the dawn, here is where I'll stay

Standing at the end of the road, boys, waitin' for my new friends to come

I don't care if I'm hungry, or tired, or poor, I'm gonna get me some

p.2. Friends

'Cause you got to have friends, the feelin's oh, so strong

Yes, you got to have friends, to make the day last long

Interlude: First 2 lines
