

FROM ME TO YOU

4/4 1...2...123

Intro:

If there's anything that you want, if there's anything I can do

Just call on me and I'll send it along, with love from me to you

If there's anything that you want, like a heart that's oh so true

Just call on me and I'll send it along, with love from me to you

I've got arms that long to hold you and keep you by my side

I've got lips that long to kiss you and keep you satisfied.....oooooooo

If there's anything that you want, if there's anything I can do

Just call on me and I'll send it along, with love from me to you, to you, to you, to you.
