# GAMES PEOPLE PLAY - Joe South

4/4 1...2...123 (without intro-slow count)

Intro: |  |  |  |  |  | (X2)

   
Oh, the games people play, now, every night and every day, now

    
Never meaning what they say, now, never saying what they mean

   
And they while away the hours in their ivory towers

    
Till they're covered up with flowers in the back of a black limou-sine  
Refrain:

   
La da da da da da da, la da da da da da da dee

    
Talkin' 'bout you and me, and the games people play

   
Oh, we make one an-other cry, break a heart, then we say goodbye

    
Cross our hearts, and we hope to die, that the other was to blame

   
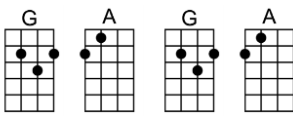

But neither one will ever give in, so we gaze at our eight by ten

    
Thinkin' 'bout the things that might have been, and it's a dirty rotten shame

## p.2. Games People Play

### Refrain

**Interlude:**

Four guitar chord diagrams are shown in a row. The first and third are G major (x02333), and the second and fourth are A major (x02277).

People walkin' up to you, singin' Glory Halle-luia

And they're tryin' to sock it to you, in the name of the Lord

They're gonna teach you how to meditate, read your horoscope, cheat your fate

And furthermore, to hell with hate, come on and get on board

'Cause you've given up your sanity for your pride and your vanity
