Intro: |  |  |  |  |

Verse:

What do you do in the evening, when you don't know what to do?

Read a book? Play a game? Every night is just the same

What do you say, if I tell you how to keep from feelin' blue

My advice is good to take, and it's easi - er to do

When you're all alone, any old night, and you're feeling might-y blue

Pick up your hat, close up your flat, get out, get under the moon

Underneath the bright, silvery light, you'll be feeling bet-ter soon

Pick up your hat, close up your flat, get out, get under the moon

 

Look, look, look at the stars above, look, look, look at those sweeties love

Oh boy, give me a night in June-I really mean it!

p.2. Get Out and Get Under the Moon

When you're all alone, any old night, and you're feeling out of tune

Pick up your hat, close up your flat, get out, get under the moon

Interlude: Repeat song (without verse)

When you make a date, any old night, you're gonna meet your sweet-ie soon

Pick up your hat, close up your flat, get out, get under the moon

Underneath the bright, silvery light, you'll be feeling bet-ter soon

Pick up your hat, close up your flat, get out, get under the moon

Walk, walk, kiss, and then walk again. Talk, talk, kiss, and then talk again

Oh boy, sweethearts are all in tune

When it's raining out, stay in your flat, but, on a lovely night in June

Pick up your hat, close up your flat, get out, get under the moon

Pick up your hat, close up your flat, get out, get under the moon

GET OUT AND GET UNDER THE MOON
