# GOODBYE TO LOVE<sub>(BAR)</sub>-Richard Carpenter/John Bettis

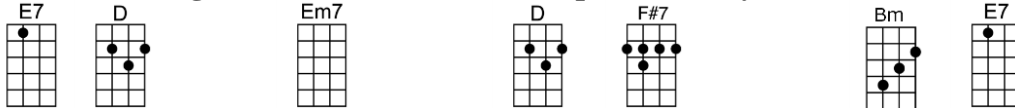

4/4 1...2...123

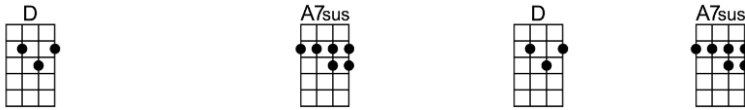

I'll say good-bye to love, no one ever cared if I should live or die

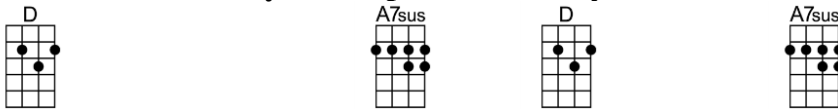

Time and time a-gain the chance for love has passed me by

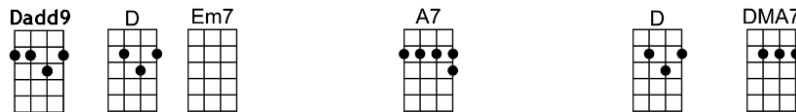

And all I know of love is how to live with-out it, I just can't seem to find it.

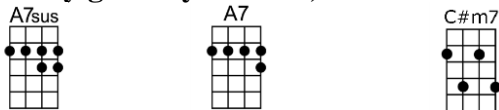

So I've made my mind up I must live my life a-lone

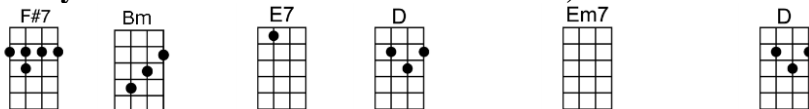

And though it's not the easy way, I guess I've always known

I'd say good-bye to love, there are no to-morrows for this heart of mine

Surely time will lose these bitter memories,

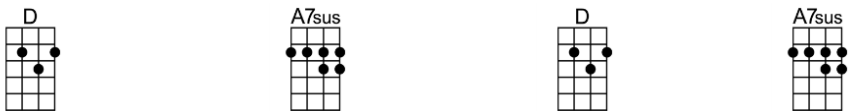

And I'll find that there is someone to be-lieve in, and to live for,

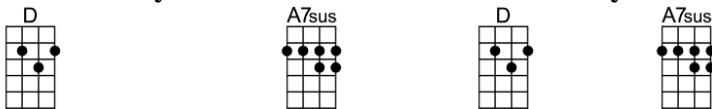

Something I could live for.

**p.2. Goodbye To Love**

**All the years of useless search have finally reached an end**

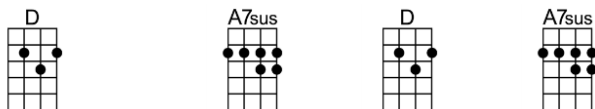

**Loneliness and empty days will be my only friend**

**From this day love is for-gotten, I'll go on as best I can.**

**Interlude: First 3 lines**

**What lies in the future is a mystery to us all**

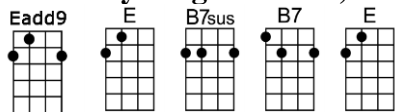

**No one can pre-dict the wheel of fortune as it falls**

**There may come a time when I will see that I've been wrong**

**But for now this is my song. And, it's good-bye to love.**

**I'll say good-bye to love.**
