

# GOOD MORNING, HEARTACHE

4/4 1...2...1234

-Higginbotham/Drake/Fisher

Intro:

Good morning, heartache, you old gloomy sight

Good morning, heartache, thought we said good-bye last night

I tossed and turned, un-til it seemed you had gone, but here you are with the dawn

Wish I'd forget you, but you're here to stay

It seems I met you when my love went a-way

Now, every day I start by saying to you, "Good morning, heartache, what's new?"

Stop haunting me now, can't chase you no-how

Just leave me a-lone. I've got those Monday blues, straight through Sunday blues

Good morning, heartache, here we go a-gain

Good morning, heartache, you're the one who knew me when

Might as well get used to you hanging a-round. Good morning heartache, sit down
