GOT MY MIND SET ON YOU - Rudy Clark

4/4 1234 1 (without intro)

Intro: percussion

I got my mind set on you, I got my mind set on you,
I got my mind set on you, I got my mind set on you

But it's gonna take money, a whole lotta spending money

It's gonna take plenty of money to do it right, child

It's gonna take time, a whole lot of precious time

It's gonna take patience and time, ummm

To do it, to do it, to do it, to do it, to do it, to do it right, child

I got my mind set on you, I got my mind set on you,
I got my mind set on you, I got my mind set on you

And this time I know it's for real, the feelings that I feel

I know if I put my mind to it, I know that I really could do it
p.2. Got My Mind Set On You

I got my mind set on you, set on you,

But it's gonna take money, a whole lotta spending money

It's gonna take plenty of money to do it right, child

It's gonna take time, a whole lot of precious time

It's gonna take patience and time, ummm

To do it, to do it, to do it, to do it, to do it, to do it right

Interlude: (X2)

I got my mind set on you, I got my mind set on you,

I got my mind set on you, I got my mind set on you
