THE GUITAR MAN (BAR)-David Gates

4/4  1...2...1234

Intro:  (X2)

Who draws the crowd and plays so loud, baby it's the guitar man.

Who's gonna steal the show, you know, baby it's the guitar man,

He can make you love, he can make you cry, he will bring you down, then he'll get you high

Somethin' keeps him goin', miles and miles a day to find another place to play.

Night after night who treats you right, baby it's the guitar man

Who's on the radi-o, you go listen to the guitar man

Then he comes to town, and you see his face, and you think you might like to take his place

Somethin' keeps him driftin' miles and miles away, searchin' for the songs to play.
p.2. The Guitar Man

Then you listen to the music and you like to sing a-long,

You want to get the meaning out of each and ev'ry song

Then you find yourself a message and some words to call your own and take them home.

Instrumental: (X2)

He can make you love, he can get you high, he will bring you down, then he'll make you cry

Somethin' keeps him movin', but no one seems to know what it is that makes him go.

Then the lights begin to flicker and the sound is getting dim

The voice begins to falter and the crowds are getting thin

But he never seems to notice he's just got to find an-other place to play,

Any way, got to play. Any way, He's just got to play.
