Come a little bit closer, hear what I have to say

() X2

Just like children sleepin', we could dream this night a-way

() X2

But there's a full moon risin', let's go dancin' in the light

() X2

We know where the music's playin', let's go out and feel the night

Because I'm still in love with you, I want to see you dance a-gain

() X4

Because I'm still in love with you on this harvest moon

p.2. Harvest Moon

When we were strangers, I watched you from a-far

When we were lovers, I loved you with all my heart

But now it's gettin' late, and the moon is climbin' high

I want to celebrate, see it shinin' in your eyes

Because I'm still in love with you, I want to see you dance a-gain

Because I'm still in love with you on this harvest moon

Because I'm still in love with you on this harvest moon
