HAVEN'T GOT TIME FOR THE PAIN_(BAR)

4/4 1...2...1234

-Carly Simon/Jacob Brackman

All those crazy nights when I cried myself to sleep

Now melodrama never makes me weep any-more

'Cause I haven't got time for the pain, I haven't got room for the pain

I haven't the need for the pain, not since I've known you

You showed me how, how to leave myself be-hind

How to turn down the noise in my mind

Now I haven't got time for the pain, I haven't got room for the pain

I haven't the need for the pain, not since I've known you

I haven't got time for the pain, I haven't got room for the pain

I haven't the need for the pain,

p.2. Haven't Got Time For the Pain

Suffering was the only thing that made me feel I was a-live

Thought that's just how much it cost to sur-vive in this world

'Til you showed me how, how to fill my heart with love

How to open up, and drink in all that white light pouring down from the heavens

I haven't got time for the pain, I haven't got room for the pain

I haven't the need for the pain, not since I've known you

I haven't got time for the pain, I haven't got room for the pain (repeat the line)
