

SING C#

HAVE YOU NEVER BEEN MELLOW (BAR)-John Farrar

4/4 1234 12 (without intro)

Intro:     (2 measures each)

There was a time when I was in a hurry, as you are. I was like you

There was a day when I just had to tell my point of view. I was like you

Now, I don't mean to make you frow -own. No, I just want you to slow down

Have you never been mellow?

Have you never tried to find a comfort from in-side you?

    

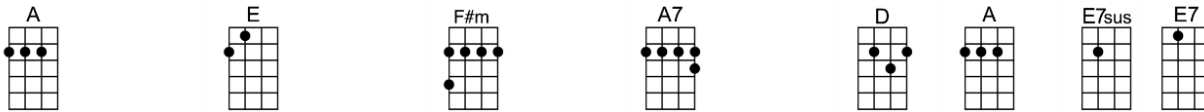

Have you never been happy, just to hear your song?

     

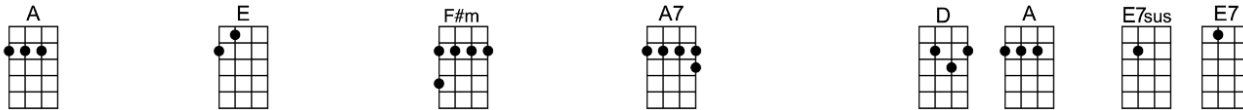

Have you never let someone else be strong?

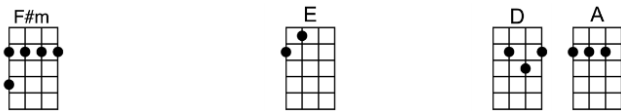

p.2. Have You Never Been Mellow

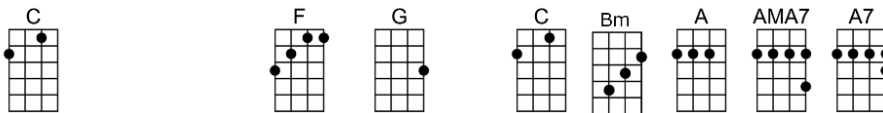

Running a-round, as you do, with your head up in the clouds, I was like you

Never had time to lay back, kick your shoes off, close your eyes. I was like you

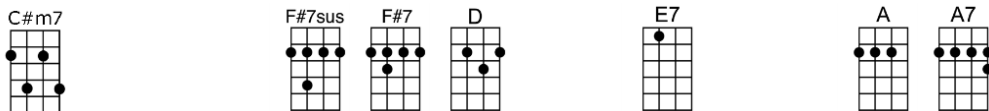

Now, you're not hard to under-stand.

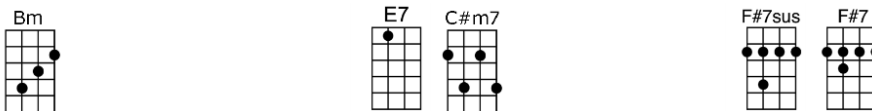

You need some-one to take your hand

Have you never been mellow?

Have you never tried to find a comfort from in-side you?

Have you never been happy, just to hear your song?

Have you never let someone else be strong?
