**Intro:** |    |     |  |  |  |  |

**Somebody's gonna hurt someone  
Everybody wants to touch somebody,**

**before the night is through.  
if it takes all night**

**Somebody's gonna come undone,  
Everybody wants to take a little chance,**

**there's nothin' we can do (2nd verse)  
and make it come out right**

**There's gonna be a heartache tonight, a heartache tonight I know**

**There's gonna be a heartache tonight, a heartache tonight I know, Lord, I know.**

**Some people like to stay out late, some folks can't hold out that long  
This night is gonna last forever. Last all, last all summer long**

**But nobody wants to go home now, there's too much goin' on (2nd verse)  
Sometime before the sun comes up, the radio is gonna play that song**

**There's gonna be a heartache tonight, a heartache tonight I know**

**There's gonna be a heartache tonight, a heartache tonight I know, Lord, I know.**

**p.2. Heartache Tonight**

There's gonna be a heartache tonight, the moon's shinin' bright,

So turn out the light, and we'll get it right

There's gonna be a heartache tonight, a heartache tonight, I know (Intro riff X4 then C)

Somebody's gonna hurt someone before the night is through.  
Everybody wants to touch somebody, if it takes all night

Somebody's gonna come undone, there's nothin' we can do (2nd verse)  
Everybody wants to take a little chance, and make it come out right

There's gonna be a heartache tonight, a heartache tonight I know

There's gonna be a heartache tonight, a heartache tonight I know, let's go!

Well, we can beat around the bushes; we can get down to the bone

We can leave it in the parkin' lot, but either way

There's gonna be a heartache tonight, a heartache tonight, I know, oh, I know

There's gonna be a heartache tonight, a heartache tonight I know

**Outro:** | Eb Bb F C | (X4)
