HEART OF THE NIGHT - Paul Cotton

Intro: | G | GMA7 | G6 | G | C | (X2)

In the heart of the night, in the cool southern rain
There's a night bird singing right on through till the dawn

There's a full moon in sight, shinin' down on the Pontchartrain
And the streets are still ringing with people carryin' on

And the river she rises, just like she used to do
Oh, it's been so long waitin', just to be here again

She's so full of sur-prises, she re-minds me of you
Anticipating, all the time I could spend

In the heart of the night.
In the heart of the night.

1. In the heart of the night, oh, down in New Orleans (2nd verse)

2. In the heart of the night

And I trust in your love never fallin’ down. I trust in your love, just like I do in this town

Oh, never fallin’ down, oh, never fallin’ down
In the heart of the night, in the cool fallin' rain
There's a full moon in sight, shinin' down on the Pontchartrain
And the river she rises, just like she used to do
She's so full of sur-prises, she re-minds me of you

I'm so glad to be back in New Orleans. Please don’t wake me
Don't shake me, if it's only, if it's only just a dream
‘Cause it's the only place I can face, a place that feels so right
Below that Dixie moon, and lovin’ you, in the heart of the night
