

# HELLO, YOUNG LOVERS<sub>(BAR)</sub>

4/4 123 12 (without intro)

**Intro:**     (x2)

Hel-lo, young lovers, who-ever you are, I hope your troubles are few

All my good wishes go with you to-night, I've been in love like you

Be brave, young lovers, and follow your star, be brave and faithful and true

Cling very close to each other to-night, I've been in love like you

I know how it feels to have wings on your heels

And to fly down the street in a trance

You fly down a street on a chance that you'll meet

And you meet, not really by chance

Don't cry, young lovers, what-ever you do, don't cry be-cause I'm a-lone

All of my memories are happy to-night, I've had a love of my own

I've had a love of my own like yours, I've had a love of my own
