HERE, THERE, AND EVERYWHERE_(BAR)

4/4 1...2...1234

To lead a better life, I need my love to be here.

Here, making each day of the year, changing my life with a wave of her hand,

Nobody can de-ny that there's something there.

There, running my hands through her hair, both of us thinking how

Good it can be; someone is speaking, but she doesn't know he's there.

I want her everywhere and if she's beside me, I know I need never care

But to love her is to need her

Everywhere, knowing that love is to share, each one be-lieving that

Love never dies, watching her eyes and hoping I'm always there.

I will be there and every-where, here, there and every-where.
