Hey, look me over, lend me an ear, fresh out of clover, mortgaged up to here

But don't pass the plate, folks, don't pass the cup

I figure whenever you're down and out, the only way is up, and I'll be

Up like a rosebud, high on the vine. Don't thumb your nose, bud, take a tip from mine

I'm a little bit short of the elbow room, but let me get me some, and look out, world, here I come

Nobody in the world was ever without a prayer

How can you win the world, if nobody knows you're there
