

HEY, MISS MOONLIGHT (BAR)

4/4 1...2...1234

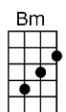

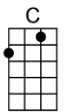

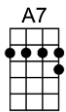

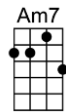

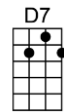

Intro: |  |  |  |  |  |  |  |  |

 |  |  |  |  |  |  | 

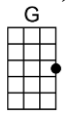

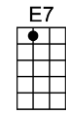

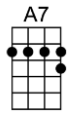

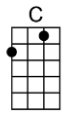

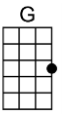

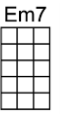

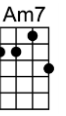

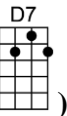

I love to moonlight, es-pecially this June night, beneath the Milky Way

 |  |  |  |  |  |  | 

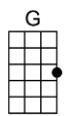

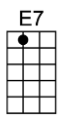

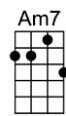

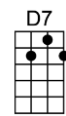

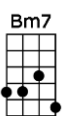

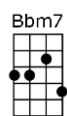

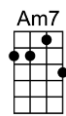

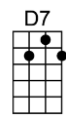

To see the stars out, with Jupiter and Mars out, it takes my breath a-way

 |  |  |  | 

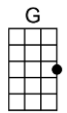

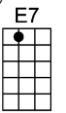

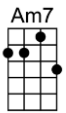

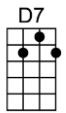

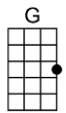

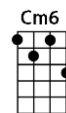

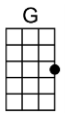

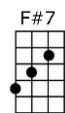

And, all across the sky, you shine your light of blue

 |  |  |  ( |  |  | ) X2

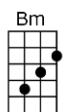

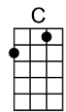

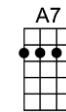

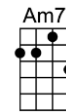

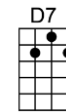

Hey, Miss Moonlight, I'd like to spend to-night with you

 |  |  |  |  |  |  | 

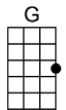

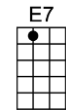

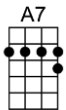

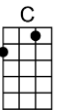

I want to tell you that I can feel the spell you seem to cast on me

 |  |  |  |  |  |  | 

You are the highlight, you shimmer in the twilight, a star for all to see

 |  |  |  | 

And you will never know the happiness you bring

 |  |  |  | 

Hey, Miss Moonlight, yes, only you can make me sing
