Hey there, you with the stars in your eyes
Love never made a fool of you, you used to be too wise.

Hey there, you on that high flying cloud
Though she won't throw a crumb to you, you think some day she'll come to you.

Better forget her, her with her nose in the air
She has you dancing on a string, break it and she won't care.
p.2. Hey There

Won't you take this advice I hand you like a brother

Or are you not seeing things too clear, are you too much in love to hear

1. Is it all going in one ear and out the other. (Instrumental from "Better forget her")

2. Is it all going in one ear and out the other.

Are you not seeing things too clear, are you too much in love to hear

Is it all going in one ear and out the other.
