

HOLD ME, THRILL ME, KISS ME_(BAR)-Harry Noble

4/4 1...2...1234

Intro: |  |  |  |  | (X2)

Hold me, hold me, never let me go until you've told me, told me

What I want to know and then just hold me, hold me

Make me tell you I'm in love with you

Thrill me, thrill me, walk me down the lane where shadows will be, will be

Hiding lovers just the same as we'll be, we'll be, when you make me tell you I love you

They told me "Be sensible with your new love"

"Don't be fooled, thinking this is the last you'll find"

 

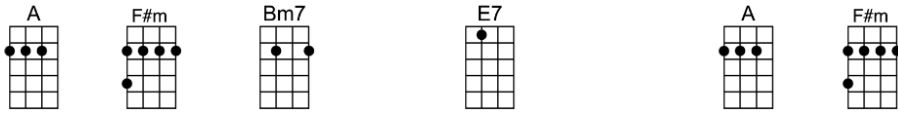

But they never stood in the dark with you, love

  

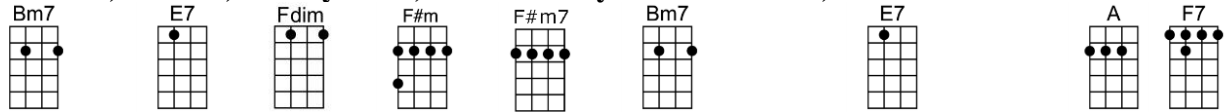

When you take me in your arms, and drive me slowly out of my mind

p.2. Hold Me, Thrill Me, Kiss Me

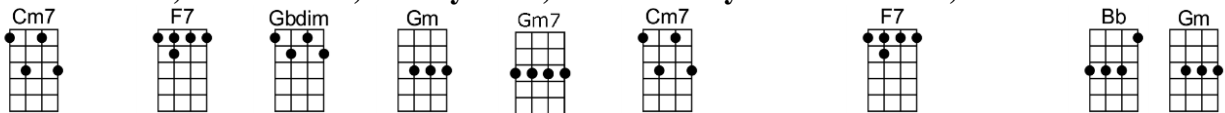

Kiss me, kiss me, when you do, I know that you will miss me, miss me

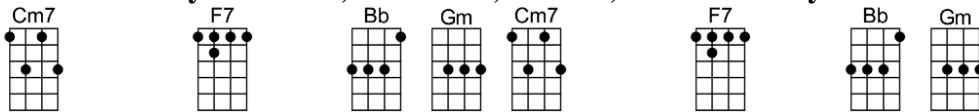

If we ever say "A-dieu", so kiss me, kiss me, make me tell you I'm in love with you

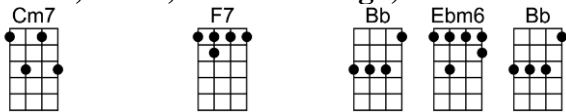

Kiss me, kiss me, when you do, I know that you will miss me, miss me

If we ever say "A-dieu", so kiss me, kiss me, make me tell you I'm in love with you

Never, never, never let me go, never, never, never let me go

Never, never, never let me go
