HOW DO YOU KEEP THE MUSIC PLAYING

4/4 1...2...1234  -Michel Legrand/Alan and Marilyn Bergman

Intro:  

How do you keep the music playing?  How do you make it last?

How do you keep the song from fading too fast?

How do you lose your-self to someone, and never lose your way?

How do you not run out of new things to say?

And, since we know we're always changing, how can it be the same?

And tell me how, year after year, you're sure your heart will fall a-part

Each time you hear her/his name?

I know the way I feel for you, it's now or never, the more I love, the more that I'm a-fraid

That in your eyes I may not see for-ever, for-ever
How Do You Keep the Music Playing

If we can be the best of lovers, yet, be the best of friends

If we can try with every day to make it better as it grows

With any luck, then I sup-pose, the music never ends

I know the way I feel for you, it’s now or never, the more I love, the more that I’m a-fraid

That in your eyes I may not see for-ever, for-ever

If we can be the best of lovers, yet, be the best of friends

If we can try with every day to make it better as it grows

With any luck, then I sup-pose, the music never ends
