Intro: |  |  | (X3) |  |  |  |

How long has this been going on? How long has this been going on?

Well, your friends, with their fancy per-suasion, don't ad-mit that it's part of a scheme

But I can't help but have my sus-picion, 'cause I ain't quite as dumb as I seem

And, you said you was never in-tending to break up our scene in this way

But there ain't any use in pre-tending. It could happen to us any day

How long has this been going on? How long has this been going on?

Interlude:   (X4)

p.2. How Long

Oh, your friends, with their fancy per-suasion, don't ad-mit that it's part of a scheme

But I can't help but have my sus-picion, 'cause I ain't quite as dumb as I seem

Oh, you said you was never in-tending to just break up our scene in this way

But there ain't any use in pre-tending. It could happen to us any day

And, how long has this been going on? How long has this been going on?

How long has this been going on? How long has this been going on? How long?
