HUMBLE AND KIND (BAR)-Lori McKenna

4/4 1234 (very slow count)

Intro:         |       |

You know there’s a light that glows by the front door, don’t forget the key’s under the mat

When childhood stars shine, always stay humble and kind

Go to church ‘cause your mama says to, visit grandpa every chance that you can

It won’t be wasted time, always stay humble and kind

Hold the door, say “please”, say “thank you”, don’t steal, don’t cheat, and don’t lie

I know you got mountains to climb, but always stay humble and kind

When the dreams you’re dreamin’ come to you, when the work you put in is realized

Let your-self feel the pride, but always stay humble and kind

Don’t ex-pect a free ride from no one, don’t hold a grudge or a chip, and here is why:

Bitterness keeps you from flyin’, always stay humble and kind
p.2. Humble and Kind

Know the difference between sleepin’ with someone, and sleepin’ with someone you love

“I love you” ain’t no pick-up line, so always stay humble and kind

Hold the door, say “please”, say “thank you”, don’t steal, don’t cheat, and don’t lie

I know you got mountains to climb, but always stay humble and kind

When those dreams you’re dreamin’ come to you, when the work you put in is realized

Let your-self feel the pride, but always stay humble and kind

Interlude:

When it’s hot, eat a root beer popsicle, shut off the AC, and roll the windows down

Let that summer sun shine, always stay humble and kind

Don’t take for granted the love this life gives you

When you get where you’re goin’, don’t forget, turn back around

And help the next one in line, always stay humble and kind
