

SING A

I CAN'T TELL YOU WHY (BAR)-Schmit/Frey/Henley

4/4 1...2...1234

Intro: |  |  | (X4)

Look at us baby, up all night, tearing our love apart

Aren't we the same two people who lived through years in the dark?

Every time I try to walk away, something makes me turn a-round and stay

And I can't tell you why

When we get crazy, it just ain't right, girl, I get lonely too

You don't have to worry, just hold on tight, 'cause I love you

Nothing's wrong as far as I can see, we make it harder than it has to be

p.2. I Can't Tell You Why

And I can't tell you why, no, baby, I can't tell you why

I can't tell you why

Interlude:

Every time I try to walk away, something makes me turn a-round and stay

And I can't tell you why, no, baby, I can't tell you why

I can't tell you why, I can't tell you why

I CAN'T TELL YOU WHY -Schmit/Frey/Henley
