IF THIS ISN’T LOVE - Burton Lane/E. Y. Harburg

Intro: (2 measures)

(A secret, a secret, he says he’s got a secret. A secret, a secret, a secret kind of secret.)

I’m aching for to shout it to every daffo-dil

And tell the world a-bout it, in fact I think I will.

If this isn’t love, the whole world is crazy. If this isn’t love, I’m daft as a daisy

With moons all around and cows jumping over

There’s somethin’ a-miss, and I’ll eat my hat if this isn’t love.

I’m feeling like the apple on top of William Tell

With this I cannot grapple be-cause, be-cause you’re so adora-belle
If this isn't love, then winter is summer. If this isn't love, my heart needs a plumber.

I'm swingin' on stars, I'm ridin' on rainbows

I'm bustin' with bliss, and I'll kiss your hand if this isn't love.

Interlude:

I'm swingin' on stars, I'm ridin' on rainbows

I'm bustin' with bliss, and I'll kiss your hand if this isn't love.

Yes, I'm bustin' with bliss, and I'll kiss your hand if this isn't love.
