# I HOPE YOU DANCE - Mark Sanders/Tia Sillers

4/4 1...2...1234 (slow count)

**Intro:** |  |  |  |  |  |  |  |  | (X2)

I hope you never lose your sense of wonder,  
I hope you never fear those mountains in the distance,

You get your fill to eat but always keep that hunger,  
Never settle for the path of least resistance

May you never take one single breath for granted,  
Livin' might mean takin' chances but they're worth takin',

God for-bid love ever leave you empty handed,  
Lovin' might be a mistake but it's worth makin',

I hope you still feel small when you stand beside the ocean,  
Don't let some hell bent heart leave you bitter,

Whenever one door closes I hope one more opens,  
When you come close to sellin' out recon-sider,

Promise me that you'll give faith a fighting chance,  
Give the heavens above more than just a passing glance,

And when you get the choice to sit it out or dance.  
And when you get the choice to sit it out or dance.

1. I hope you dance....

I hope you dance.

(2nd verse)

**p.2. I Hope You Dance**

**2. I hope you dance.... I hope you dance.**  
 (Time is a wheel in constant motion always rolling us along)

**I hope you dance.... I hope you dance.**  
 (Tell me who wants to look back on their years and wonder where those years have gone?)

**I hope you still feel small when you stand beside the ocean,**

**Whenever one door closes I hope one more opens,**

**Promise me that you'll give faith a fighting chance,**

**And when you get the choice to sit it out or dance.**

**Dance.... I hope you dance.**

**I hope you dance.... I hope you dance.**  
 (Time is a wheel in constant motion always rolling us along)

**I hope you dance.... I hope you dance.**  
 (Tell me who wants to look back on their years and wonder where those years have gone?)

**Tell me who wants to look back on their years and wonder where those years have gone?**
