

# I LIKE IT LIKE THAT (BAR)-Chris Kenner/Allen Toussaint

4/4 1...2...123

1. Come on (come on, let me show you where it's at) Ah, come on (come on, let me show you where it's at)
2. Come on (come on, let me show you where it's at) Ah, come on (come on, let me show you where it's at)

Whoa! come on (come on, let me show you where it's at) I said the name of the place is I like it like that  
I wanna show you (come on, let me show you where it's at) The name of the place is I like it like that

They got a little place a-down the track, the name of the place is I like it like that

You take Sally and I'll take Sue, and we're gonna rock away all our blues

Come on (come on, let me show you where it's at) Ah, come on (come on, let me show you where it's at)

Whoa! come on (come on, let me show you where it's at) I said the name of the place is I like it like that

The last time I was down there, they lost my shoes, they had some cat shoutin' the blues

The people was yellin' and shoutin' for more, and all they kept sayin' was-a "go man, go"

Come on (come on, let me show you where it's at) Ah, come on (come on, let me show you where it's at)

I wanna show you (come on, let me show you where it's at) The name of the place is I like it like that!

(Repeat refrain)
