I’LL KNOW (BAR) - Frank Loesser

4/4

There, she’ll (he’ll) stand before my eyes one day

I won’t need a second glance her (his) way

I’ll know, when my love comes a-long, I’ll know, then and there

I’ll know, at the sight of her (his) face, how I care, how I care, how I care

And I’ll stop, and I’ll stare,

And I’ll know, long be-fore we can speak, I’ll know, in my heart

I’ll know, and I won’t ever ask, “Am I right, am I wise, am I smart?”

But I’ll stop, and I’ll stare at that face in the throng

Yes, I’ll know, when my love comes a-long
p.2. I’ll Know

Interlude: (X3)

“Am I right, am I wise, am I smart?”

But I’ll stop, and I’ll stare at that face in the throng

Yes, I’ll know, when my love comes a-long
