

I LOVE A PIANO - Irving Berlin

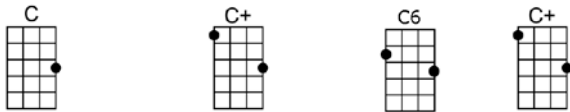

As a child, I went wild when a band played.

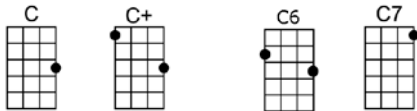

How I ran to the man when his hand swayed

Clari-nets were my pets, and a slide trom-bone I thought was simply di-vine

But to-day when they play, I could hiss them,

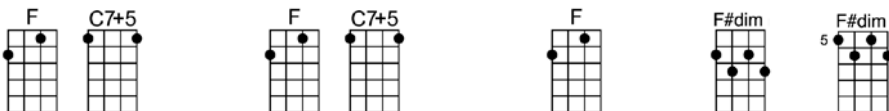

Every bar is a jar to my system

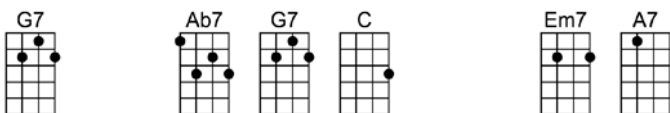

But there's one musical instrument that I call mine....

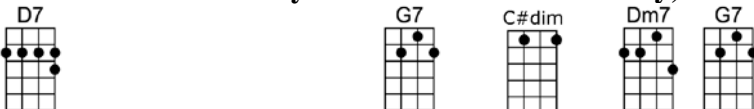

I love a piano, I love a piano. I love to hear somebody play

Upon a piano, a grand piano, it simply carries me a-way

I know a fine way to treat a Stein -way,

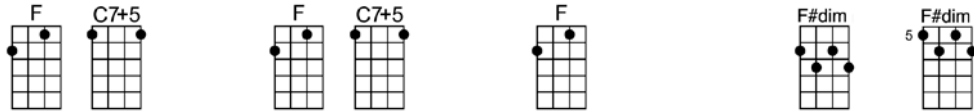

I love to run my fingers o'er the keys, the ivo - ries

p.2. I Love a Piano

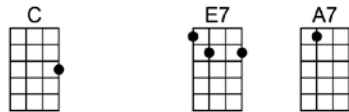

And with the pedal, I love to meddle. Not only music from Broad-way,

I'm so de-lighted if I'm in-vided to hear a long-haired genius play

So you can keep your fiddle and your bow, give me a p - i - a - n - o oh, oh

I love to stop right be-side an upright

Or a high toned baby grand, or a high.....toned.....baby grand
