**VERSE:**

At the end of the rainbow there's happiness, and to find it, how often I've tried

But my life is a race, just a wild goose chase, and my dreams have all been de-nied

Why have I always been a failure? What can the reason be?

I wonder if the world's to blame, I wonder if it could be me

---

I'm always chasing rainbows, watch-ing clouds drifting by

My schemes are just like all of my dreams, ending in the sky

Some fellows look and find the sunshine, I always look and find the rain

Some fellows make a winning sometimes. I never even make a gain, be-lieve me

I'm always chasing rain-bows, waiting to find a little bluebird, in vain.
