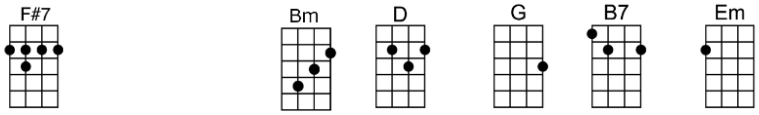
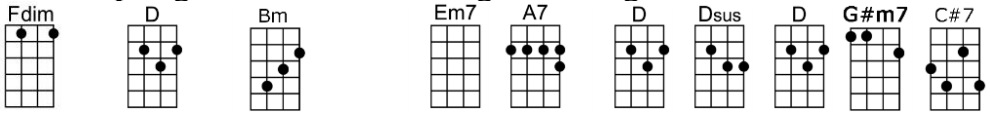
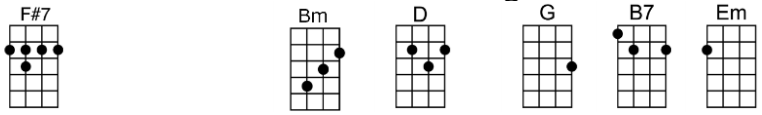
Intro: | | | | | |



I like springtime flowers that grow a-long the lane,

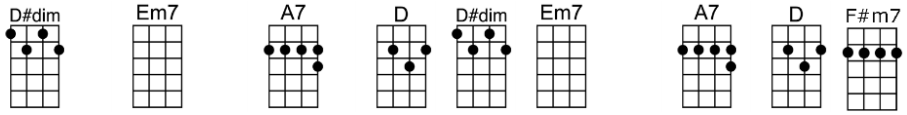


I like sunshine showers and walking in the rain

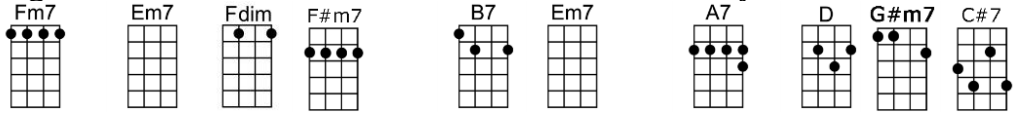


I like a three day weekend and Sundays at the zoo

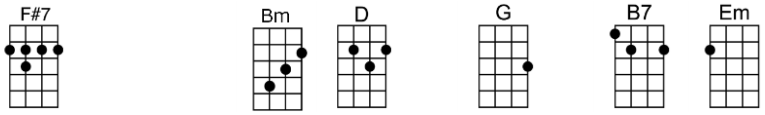
And in 25 words or less I'll tell you why I like you



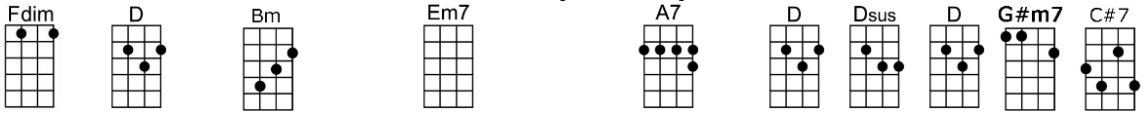
You got sen-sational smile, irre-sistible eyes



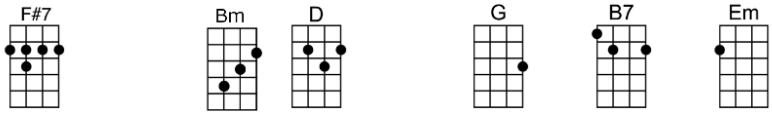
Oh but the fasci - natin' thing about you is you look lonesome too



I like a wet mar-tini but I take my whiskey neat

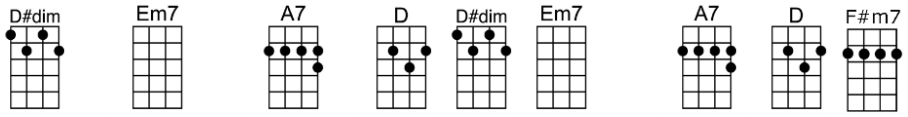


I like toast and honey 'cause that makes my morning sweet

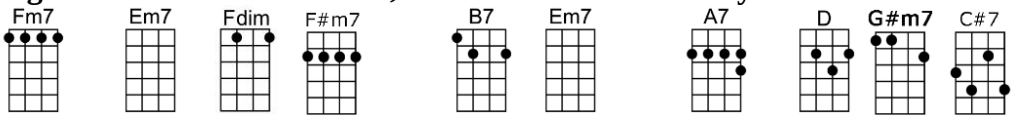


I like a nightclub after hours, I like a Coleman Hawkins blues

And in 25 words or less I'll tell you why I like you

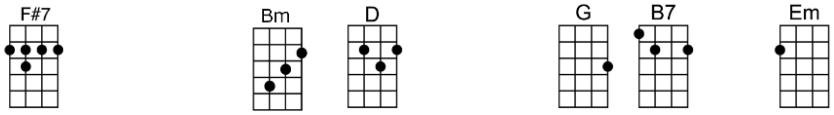


You got sen-sational smile, irre-sistible eyes

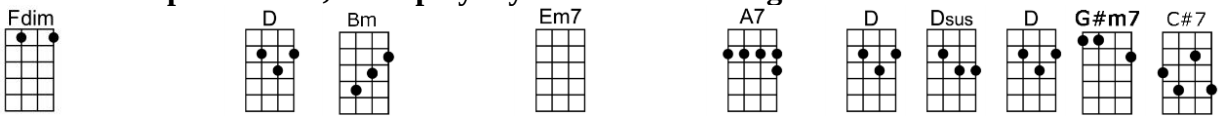


Oh but the fasci - natin' thing about you is you look lonesome too

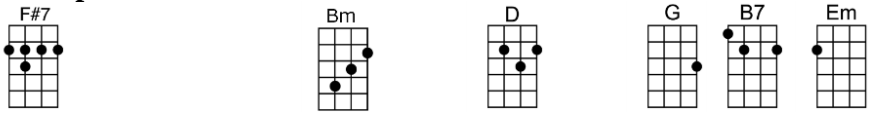
Interlude: chords of 1st 2 lines



I like a tropical island, I play my ukulele in the la-goon

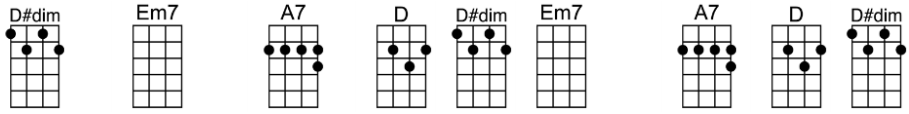


I climb up the coconut tree and hula-hula with the local ba-boon

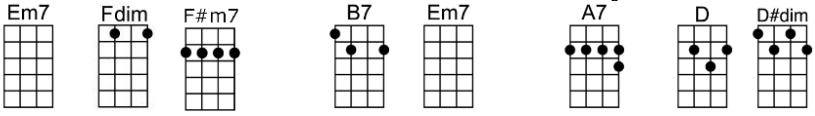


I like milkshakes, cupcakes, clambakes, sweepstakes, lazy after-noons

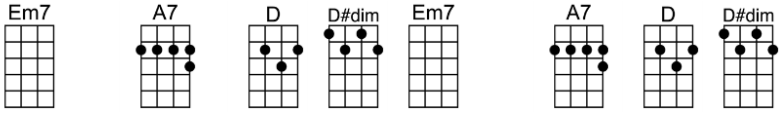
And in 25 words or less I'll tell you why I like you



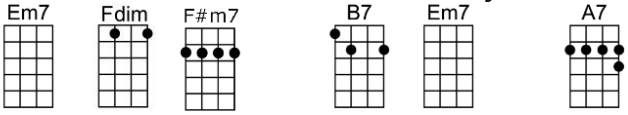
You got sen-sational smile, irre-sistible eyes



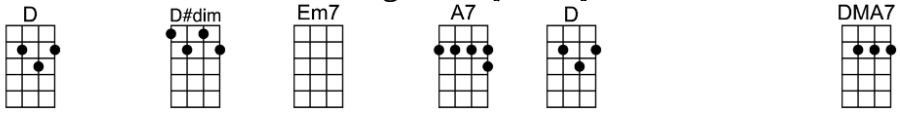
Oh but the fasci - natin' thing about you is you look lonesome too, girl, with your



Sen-sational smile, irre-sistible eyes



Oh but the fasci - natin' thing about you is you look lonesome,



I'm so lonesome, you look lonesome too (repeat the line)
