

# I SEE THE LIGHT (BAR)-Alan Menken/Glenn Slater

4/4 1...2...1234

**Intro:**

All those days, watching from the windows, all those years outside looking in  
All those weeks, chasing down a daydream, all those years, living in a blur

All that time, never even know - ing just how blind I've been  
All that time, never truly see - ing things the way they were

Now I'm here, blinking in the starlight, now I'm here, suddenly I see  
Now she's here, shining in the starlight, now she's here, suddenly I know

Standing here it's all so clear, I'm where I'm meant to be  
If she's here, it's crystal clear, I'm where I'm meant to go

And at last I see the light, and it's like the fog has lift - ed

And at last I see the light, and it's like the sky is new

And it's warm and real and bright, and the world has somehow shifted

1. All at once everything looks different, now that I see you (2nd verse)

2. All at once everything looks different, now that I see you
