3/4 123 123

Intro: |  |  |  |  |

I still see E-lisa, she keeps on re-turning, as breathless, and young as ever

I still hear E-lisa, and still feel a yearning to hold her a-against me a-gain

Her heart was made of holidays, her smile was made of dawn

Her laughter was an April song that echoes on and on

Since I saw E-lisa, the shadows are falling, and winter is calling a-bove

But I still see E-lisa when-ever I dream of love
