# IT DOESN'T MATTER ANYMORE-Buddy Holly

4/4 1...2...1234

**Intro:**   /   / (X2)

There you go and baby here am I, well, you

left me here so I could sit and cry

Well, golly gee what have you done to me? Well, I guess it doesn't matter any-more

Do you remember baby last September, how you

held me tight each and every night?

Well, whoopsy daisy, how you drove me crazy, but I guess it doesn't matter any-more

There's no use in me a-cryin' I've done everything and now I'm sick of trying

I've thrown away my nights, and wasted all my days over you

Well, you go your way and I'll go mine, now and forever, 'till the end of time

And I'll find somebody new, baby, we'll say we're through, and you won't matter any-more

You won't matter any-more, no you won't matter any-more
