

# I THINK I LOVE YOU - Tony Romeo

4/4 1234 12 (without intro)

**Intro:** |    |  |    |  |

   
 I was sleeping, and right in the middle of a good dream  
 This morning I woke up with this feeling

   
 Like all at once I wake up from something that keeps knocking at my brain  
 I didn't know how to deal with, and so I just de-cided to myself

   
 Be-fore I go insane, I hold my pillow to my head  
 I'd hide it to myself, and never talk about it

   
 And spring up in my bed, screaming out the words I dread  
 And did not go and shout it, when you walked into the room

  
 I think I love you (I think I love you) (2nd verse)  
 I think I love you (I think I love you)

   
 I think I love you, so what am I so a-fraid of

   
 I'm afraid that I'm not sure of a love there is no cure for

   
 I think I love you, isn't that what life is made of?

   
 Though it worries me to say that I never felt this way

p.2. I Think I Love You

Interlude:    (X4)

     
 I don't know what I'm up against. I don't know what it's all about

   
 I got so much to think about

    
 Hey, I think I love you, so what am I so a-fraid of

   
 I'm afraid that I'm not sure of a love there is no cure for

   
 I think I love you, isn't that what life is made of?

   
 Though it worries me to say that I never felt this way

   
 Be-lieve me you really don't have to worry

   
 I only wanna make you happy, and if you say "hey go away" I will

   
 But I think better still I'd better stay around and love you

    
 Do you think I have a case, let me ask you to your face, "Do you think you love me?"

   
 I think I love you, I think I love you (repeat, fade)
