

# I THINK I LOVE YOU<sub>(BAR)</sub>-Tony Romeo

4/4 1234 12 (without intro)

**Intro:** |  |  |  |  |  |  |  |  |

I was sleeping, and right in the middle of a good dream  
This morning I woke up with this feeling

Like all at once I wake up from something that keeps knocking at my brain  
I didn't know how to deal with, and so I just de-cided to myself

Be-fore I go insane, I hold my pillow to my head  
I'd hide it to myself, and never talk about it

And spring up in my bed, screaming out the words I dread  
And did not go and shout it, when you walked into the room

I think I love you (I think I love you) (2nd verse)  
I think I love you (I think I love you)

I think I love you, so what am I so a-fraid of

I'm afraid that I'm not sure of a love there is no cure for

I think I love you, isn't that what life is made of?

Though it worries me to say that I never felt this way

**p.2. I Think I Love You**

**Interlude:**    (X4)

     
**I don't know what I'm up against. I don't know what it's all about**

   
**I got so much to think about**

    
**Hey, I think I love you, so what am I so a-fraid of**

   
**I'm afraid that I'm not sure of a love there is no cure for**

   
**I think I love you, isn't that what life is made of?**

   
**Though it worries me to say that I never felt this way**

   
**Be-lieve me you really don't have to worry**

   
**I only wanna make you happy, and if you say "hey go away" I will**

   
**But I think better still I'd better stay around and love you**

    
**Do you think I have a case, let me ask you to your face, "Do you think you love me?"**

   
**I think I love you, I think I love you (repeat, fade)**
