IT'S A GOOD DAY
4/4   1...2...123   (without intro)

Intro:

Yes, it's a good day for singing a song, and it's a good day for moving along

Yes, it's a good day, how could anything go wrong? A good day from mornin' till night

Yes, it's a good day for shining your shoes, and it's a good day for losin' the blues;

Every-thing to gain and nothing' to lose, 'cause it's a good day from mornin' till night

I said to the Sun, " Good morning sun, rise and shine to-day"

You know you've gotta get goin', if you're gonna make a showin'

And you know you've got the right of way.

'Cause it's a good day for paying your bills, and it's a good day for curing your ills,

So take a deep breath and throw away your pills, 'cause it's a good day from mornin' till night.

Yes, it's a good day from mornin' till night, yes, it's a good day from mornin' till night

Yes, it's a good...... day... from... mornin'.... till... night
