

IT'S ALL OVER NOW - Bobby and Shirley Womack

4/4 1...2...1234

Intro: |  |  |  |  |  |  |  |  |

Well, baby used to stay out all night long, she made me cry, she done me wrong
She hurt my eyes open, that's no lie. Tables turn and now it's her turn to cry

Because I used to love her, but it's all over now (X2)

Well, she used to run around with every man in town,
She spent all my money, playing her half-assed game
She put me out, it was a pity how I cried. Tables turn and now it's her turn to cry

  

Because I used to love her, but it's all over now (X2)

Interlude:     

Well, I used to wake in the morning, get my breakfast in bed
When I'd gotten worried, she'd ease my aching head
But now she's here and there, with every man in town
Still trying to take me for that same old clown

Because I used to love her, but it's all over now (X3)

Outro:    (X2)
