

IT'S GOING TO TAKE SOME TIME THIS TIME_(BAR)

4/4 1...2...1234

-Carole King/Toni Stern

Intro:   (alternating)  (X2)

 
It's going to take some time this time to get myself in shape

 
I really fell out of line this time, I really missed the gate

   
The birds on the telephone line (next time) are cryin' out to me (next time)

    
And I won't be so blind next time, and I'll find some harmony

 
But it's going to take some time this time, and I can't make demands

 
But like the young trees in the wintertime, I'll learn how to bend

    
After all the tears we've spent, how could we make a-mends

     
So it's one more round for ex-perience, and I'm on the road again

      
And it's going to take some time this time

p.2. It's Going To Take Some Time This Time

Interlude: Chords of 1st verse

It's going to take some time this time, no matter what I've planned

And like the young trees in the wintertime, I'll learn how to bend

After all the tears we've spent, how could we make a-mends

So it's one more round for ex-perience, and I'm on the road again

And it's going to take some time this time

Outro: Same as intro (fade)
