

# IT'S JUST A MATTER OF TIME-Benton/Otis/Hendricks

4/4 1...2...1234 (slow count)

Intro: | | | | |

Someday, someway, you'll realize that you've been blind

Yes, darling, you're going to need me again, it's just a matter of time

Go on, go on, un-til you reach the end of the line

But I know you'll pass my way again, it's just a matter of time

After I gave you every-thing I had, you laughed, and called me a clown

Remember, in your search for fortune and fame, what goes up must come down

I know, I know, that one day you'll wake up and find

That my love was a true love, it's just a matter of time
