I'VE JUST SEEN A FACE -Lennon/McCartney

4/4 1...2...1234

Intro: |  | / |  | / |  |

I've just seen a face, I can't forget the time or place where we just met

She's just the girl for me, and I want all the world to see

We've met, mm, mm, mm, mm, mm, mm, mm

Had it been another day, I might have looked the other way

And I'd have never been aware, but as it is, I'll dream of her

To-night, da, da, da, da, da, da, da

Fallin', yes, I am fallin', and she keeps callin' me back a-gain

I have never known the like of this, I've been alone

And I have missed things and kept out of sight, but other girls were never quite

Like this, da, da, da, da, da, da, da
