I WANT YOU, I NEED YOU, I LOVE YOU_(BAR)

4/4 1...2...123 (without intro)

Intro: /

Hold me close, hold me tight, make me thrill with de-light, let me know where I stand from the start

I want you, I need you, I love you with all my heart

Every time that you're near, all my cares disap-pear, darling, you're all that I'm living for

I want you, I need you, I love you, more and more

I thought I could live without romance, be-fore you came to me

But now I know that I will go on loving you e-ternal-ly

Won't you please be my own? Never leave me a-lone, 'cause I die every time we're a-part

I want you, I need you, I love you, with all my heart

With all.....my.....heart
