
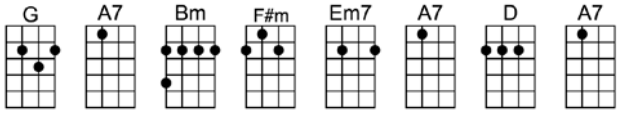
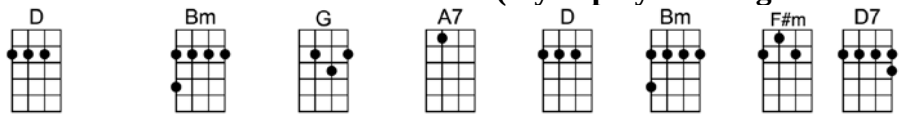
I WILL

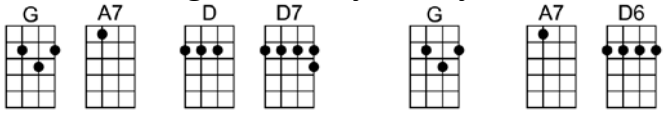
INTRO: **4/4 1…2…1234**



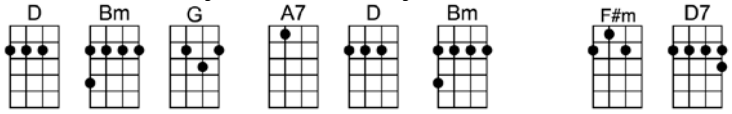
4/4 1…2…123 (if you play the song without an intro)



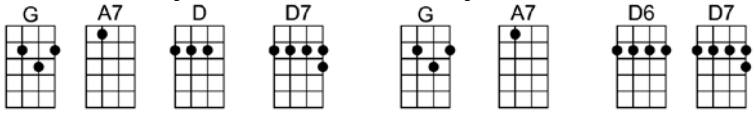
Who knows how long I've loved you, you know I love you still



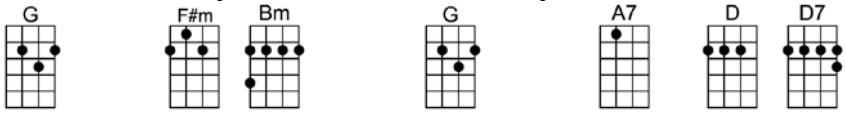
Will I wait a lonely lifetime? If you want me to, I will.



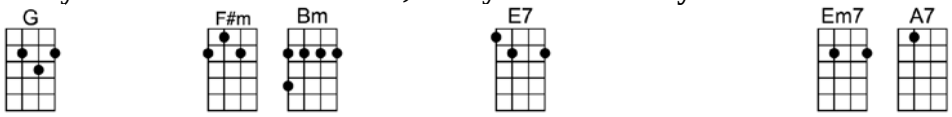
For if I ever saw you I didn't catch your name



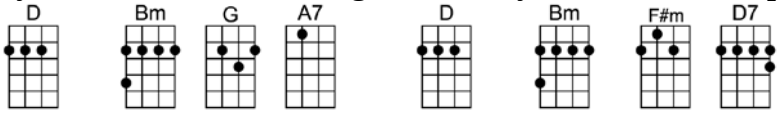
But it never really mattered I will always feel the same



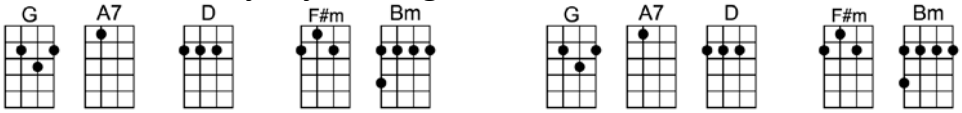
Love you for-ever and forever, love you with all my heart



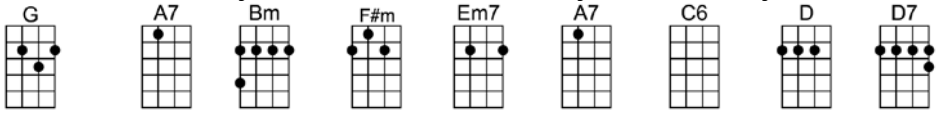
Love you when-ever we're together, love you when we're a-part.



And when at last I find you your song will fill the air



Sing it loud so I can hear you make it easy to be near you



For the things you do en-dear you to me, ah, you know I will…..I will
