
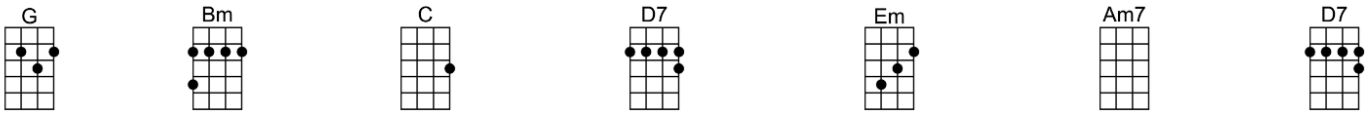
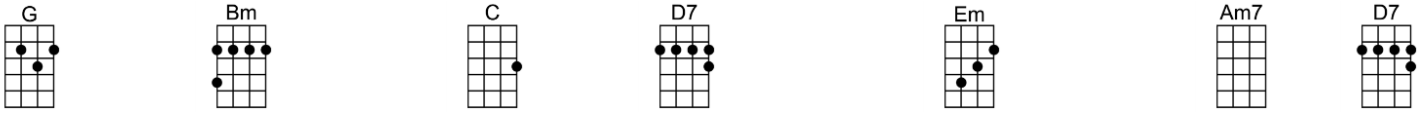
I WON'T LAST A DAY WITHOUT YOU

4/4 1…2…1234 **-Roger Nichols/Paul Williams**

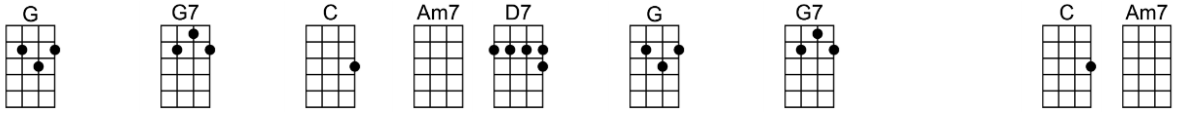
Intro: |  |



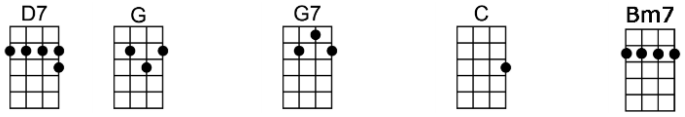
Day after day, I must face a world of strangers where I don't belong, I'm not that strong
So many times, when the city seems to be without a friendly face, a lonely place



It's nice to know that there's someone I can turn to, who will always care, you're always there
It's nice to know that you'll be there if I need you, and you'll always smile, it's all worthwhile



When there's no getting over that rainbow, when my smallest of dreams won't come true



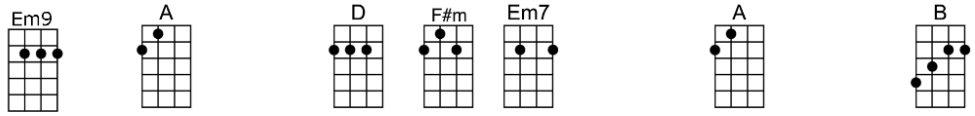
I can take all the madness the world has to give,

1.  **X2**

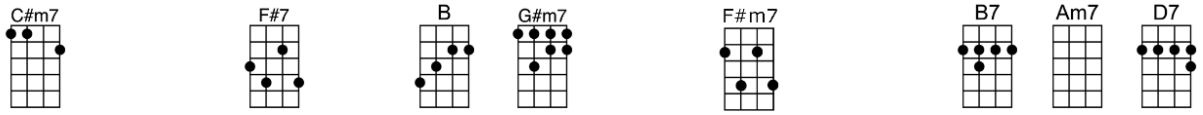
But I won't last a day without you **(2nd verse)**

2. 
But I won't last a day without you

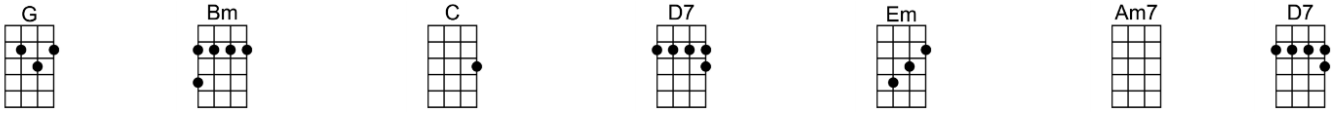
p.2. I Won't Last a Day Without You



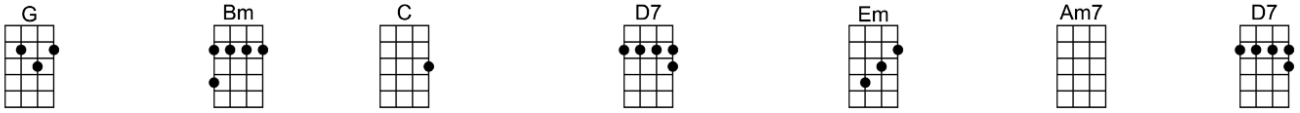
Touch me, and I end up singin', troubles seem to up and disap-pear



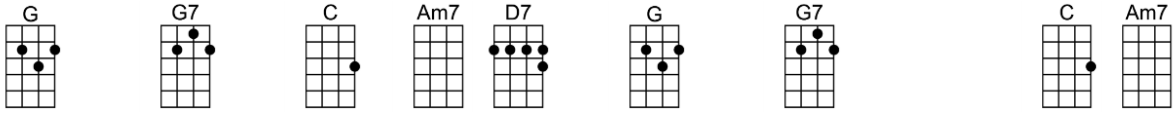
You touch me with the love you're bringin', I can't really lose when you're near



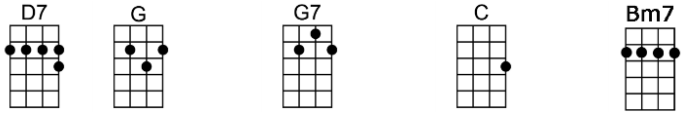
If all my friends have for-gotten half their promises, they're not unkind, just hard to find



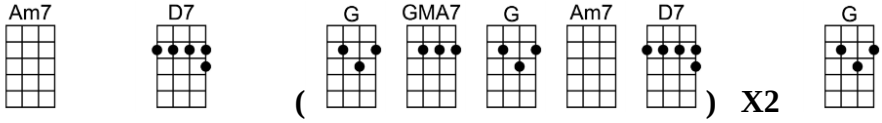
One look at you, and I know that I could learn to live with-out the rest, I found the best



When there's no getting over that rainbow, when my smallest of dreams won't come true



I can take all the madness the world has to give,



( ) X2

But I won't last a day without you
