JEAN - Rod McKuen

Intro (4/4): |   |   |   |   |  (X2)

Jean, Jean, roses are red, all the leaves have gone green

And the clouds are so low you can touch them, and so, come out to the meadow, Jean

Jean, Jean, you're young and a-live. Come out of your half-dreamed dream

And run, if you will, to the top of the hill. Open your arms, bonnie Jean

Till the sheep in the valley come home my way

   

Till the stars fall a-round me, and find me a-lone

    

When the sun comes a-singin' I'll still be wait - in'

p.2. Jean

For Jean, Jean, roses are red, and all of the leaves have gone green

While the hills are a-blaze with the moon's yellow haze, come into my arms, bonnie Jean

Jean, you're young and a-live. Come out of your half-dreamed dream

And run, if you will, to the top of the hill. Come into my arms, bonnie

Outro (4/4): Jean..... (repeat X2 with "la, la....")
