The Joker is me

 |  |  |  |  |  |  | 
There's always a Joker in the pack, there's always a cardboard clown

 |  |  |  |  | 
The poor, painted fool falls on his back, and everyone laughs when he's down

 |  |  |  |  |  | 
There's always a funny man in the game, but he's only funny by mis-take

 |  |  |  | 
But everyone laughs at him, just the same, they don't see his painted heart break

 |  |  |  |  |  |  | 
They don't care, as long as there is a jester, just a fool, as foolish as he can be

 |  |  |  |  | 
There's always a Joker, that's a rule, but fate deals the hand and I see...
