KENTUCKY WOMAN (BAR)-Neil Diamond

Intro:          |          | (X2)

Kentucky Woman, she shines with her own kind of light
Well, she ain't the kind makes heads turn at the drop of her name
She'd look at you once, and a day that's all wrong looks all right
But something in-side, that she's got, turns you on just the same

And I love her, God knows, I love her
And she loves me, God knows, she loves me

Kentucky Woman, if she gets to know you,

1. She goin' to own you, Kentucky Woman (2nd verse and chorus)

2. She goin' to own you, Kentucky Woman

I don't want much, the good Lord's earth beneath my feet
A gentle touch from that one girl, and life is sweet and good

Ain't no doubt, I'm talkin' about ....
Kentucky Woman

If she get to know you,

She goin' to own you,

I don't want much,

A gentle touch

Ain't no doubt,

Kentucky Woman

if she gets to know you,

Kentucky Woman

if she gets to know you,

Kentucky Woman
