KEY LARGO (BAR)-Bertie Higgins/Sonny Limbo

4/4 1...2...1234

Intro: First 2 lines

Wrapped around each other, tryin' so hard to stay warm

That first cold winter to-gether, lyin' in each other's arms

Watching those old movies, falling in love so desperate-ly

Honey, I was your hero, and you were my leading la-dy.

We had it all, just like Bogie and Ba-call

Starring in our own late, late show, sailing a-way to Key Largo

Here's lookin' at you, kid, missin' all the things we did

We can find it once a-gain, I know, just like they did in Key Largo

p.2. Key Largo

Honey, can't you re-member, we played all the parts

That sweet scene of sur-render when you gave me your heart

Please say you will play it a-gain, 'cause I love you still. Baby, this can't be the end.

We had it all, just like Bogie and Ba-call

Starring in our own late, late show, sailing a-way to Key Largo

Here's lookin' at you, kid, missin' all the things we did

We can find it once a-gain, I know, just like they did in Key Largo

(fade) We had it all, just like Bogie and Ba-call
