

# THE LADY WANTS TO KNOW (BAR)-Michael Franks

4/4 1...2...1234

## Intro: First 2 lines

Daddy plays the ash tray, baby starts to cry.

The lady wants to know the reason why

Daddy's just like Coltrane, baby's just like Miles.

Lady's just like heaven when she smiles

The lady wants to know. She wants to know the reason, got to know the reason why

This man has got to go, this man is always leaving, how he hates to say good-bye

But what she doesn't know, is there really is no reason, really is no reason why
